What is your vision for the municipality of the above Council?

*(maximum 50 words)*

As a lifelong resident and small business owner, my vision is to ensure our young people inherit an economy, community, culture and environment better than what we inherited. I aim to promote transparency and accountability; improve local amenity; protect against inappropriate development; and assist small business through a post-COVID-19 recovery.

What expertise or attributes do you have which would help you in undertaking the role of Councillor?

*Provide details (maximum 50 words)*

In addition to my small business experience, I've been an active, grassroots member of the Liberal Party for over a decade. I'm passionate, articulate, decisive and candid. I have a steadfast commitment to my values and principles, as well as an eye for detail and excellent negotiation and communication skills.
