What is your vision for the municipality of the above Council? (*maximum 50 words*)  
 Victorian Socialists don't hide behind the idea that local government is only about roads, rates and rubbish. I'll fight for a local government that will stand up to the state and federal government and demand policies that put the public before corporate and developer profits.

What expertise or attributes do you have which would help you in undertaking the role of Councillor?  
*Provide details (maximum 50 words)*  
 I've spent 24 years - my entire adult life - campaigning against corporate greed driven by the basic principle of solidarity - an injury to one is an injury to all. I'll always answer my phone to residents and community groups and campaigns, to make sure that your voice is heard.
