CANDIDATE'S NAME (as on ballot paper)	WALTERS, Craig

What is your vision for the municipality of the above Council? (*maximum 50 words*)

I want the Darebin Council to prepare for the disintegration of the financial system and the attendant impact on energy, food, personal security and the psyche of its residents and business owners. A prepared community is a resilient community. Will not indulge green washing and woke social preening by Councillors.

What expertise or attributes do you have which would help you in undertaking the role of Councillor?

Provide details (maximum 50 words)

I'm an engineer, a realist and not afraid to speak my mind. I have led the way in building a sustainable house and witnessed how the Planning system sides with housing speculators. I pay close attention to the unfolding of world events and think about how they will impact us.
