COUNCIL	Yarra City Council 2024
WARD (if applicable)	Hoddle Ward
CANDIDATE'S NAME (as on ballot paper)	GEMINDER, S.

What is your vision for the municipality of the above Council? *(maximum 50 words)*
 Yarra (and Australia) desperately needs much more housing supply, far more than governments currently propose. Find land in Yarra without displacing people. It should be all public housing, which increases supply for the private rental market, therefore lowering rents. New homes do not need cars, they can bike/scooter instead.

What expertise or attributes do you have which would help you in undertaking the role of Councillor?
Provide details (maximum 50 words)
 I strongly support cycling, walking & PTV which should be encouraged as much as possible by making it safer and cheaper, with more green space (particularly trees) along reclaimed land between bike lane and roadway. Some people need cars, so it's not fair to take them away for existing residents.

Have you read the current Councillor Code of Conduct for the council named above?	Yes

 Just go to Michael Glynatsis instead. He "101% agrees" (his words) with my views contained here, and is the much stronger candidate with actual council experience and time commitment to put in the hard yards. His phone is 0404 493 240, email michael@votemichael.au
