# KEY POLICIES

## SALLY GIBSON REAL INDEPENDENT FOR BRIGHTON

To see all Sally's innovative and practical solutions for a wide range of issues, please visit [www.sallygibson.com.au/platform](http://www.sallygibson.com.au/platform)

- ▶ Strong and comprehensive policies to address **climate change**: net zero by 2030; infrastructure to stem certain rising seas
- ▶ Innovative solutions that have worked overseas to **disrupt the corruption** of our whole political system
- ▶ Strong support including **tax breaks for small business**
- ▶ Market intervention to stop further **cost-of-living** increases
- ▶ Real equality for **women** including free childcare
- ▶ No stamp duty for **first home-buyers**; ditch social housing with properly serviced public housing
- ▶ Real inclusion for people with **disability** and their families and carers
- ▶ Meaningful therapeutic activities and education for patients with **mental illness**; more psychologists.
- ▶ Better bus links to **public transport**; an accessible lift for Gardenvale Station
- ▶ Improve the safety of **gambling** for vulnerable citizens
- ▶ **Police on the beat** throughout the electorate; give victims a say in sentencing
- ▶ Evidence-based **education** and a placement allowance for tertiary students
- ▶ Better policing of hate crimes against our **Jewish** community
- ▶ Reduce the **state debt** by more judicial spending and reduced wastage
- ▶ Restore **VCAT** to its original role as a people's tribunal with self-represented parties
- ▶ Support for Equality Australia's 10-Point Plan for **LGBTIQ+** Equality
- ▶ Better continuity-of-care in hospitals; a preventative **healthcare** approach including programs to tackle childhood obesity.
