PUTTING AN END TO CORRUPTION

If elected, I intend to expose corruption wherever it can be found.

I will also fight the causes of corruption like the Andrew's Labor government's law that allows councils to keep all the money from the fines they issue.

Think about it, how many speeding tickets do you think a traffic cop would write if they knew they could pocket the fine money?

If elected I will fight to have this system ended for good.

SUPPORTING SMALL BUSINESS

Having run my own small business for decades, I know the important role they play in the lives of the people they employ and serve.

Having blown billions during the pandemic, state Labor is currently increasing land taxes. This will have a devastating effect on small businesses in Mulgrave and across Victoria. What Labor won't admit is that this will drive up the cost of everything.

If elected I will fight these tax increases in order to help keep the cost of living down.

CARING ABOUT LOCAL ISSUES

No one knows Mulgrave better than those of us who live, work, learn, shop and socialise here. The answer to every problem Mulgrave faces can be found simply by listening to locals.

So please come and speak with me about anything that concerns you. My office is located at 1/879 Springvale Road, Mulgrave. You can visit us Wednesday and Thursday between 10am and 4pm or on Saturdays from 10am to 2pm. Or, if you see the light on and the door open, just stop in to say "Hi".
