Clarke Martin, then number the remaining boxes from **2** to **8** in the order of your
choice, ensuring there is a number in all boxes.

s.

CLARKE MARTIN

100% Independent

Integrity - Being accountable to our community, not to a political party, donors or industry lobbyists. Will not form an alliance or voting bloc with any political party. Will support passage of budget bills to ensure stability. All other Bills will be considered on merits.

Education - Delivering investment for our local Primary Schools and Beaumaris Secondary College, Sandringham Secondary College and Mentone Girls' Secondary College. When every child has access to high-quality education, our entire society benefits as the quality of living increases and poverty is reduced.

Planning - Supporting No Sky Rail for Highett and not closing Latrobe St. Mentone. Use boring machines to tunnel where needed between Cheltenham and Moorabbin, joining the suburban rail loop underground. Modernise our bus connections. Implement affordable, sustainable housing standards including heritage and street character protection.

Environment - Protecting, nurturing and regenerating our precious natural environment. Victoria must address climate change. We must stop treated sewage flowing into Port Phillip Bay and logging our native forests.

For real, local and effective representation
Vote 1 Clarke Martin.
