**Independent candidate for  
MULGRAVE  
A BETTER DICTATOR  
THAN BEIJING DAN**

Howard Lee (a.k.a. Howard X) is a world-renowned professional Kim Jong Un impersonator & satirist. He is infamous for his recent gatecrashing former PM Scott Morrison's event in May 2022, sarcastically supporting local Liberal candidate and Chinese Communist Party (CCP) stooge Gladys Liu.

The CCP has their tentacles deep into Victoria with the help of their collaborator Dan Andrews. Beijing Dan has approved the CCP's invasion of Victoria through "Belt & Road" projects, Confucius Institutes spreading communist propaganda on Victorian university campuses, and using Uyghur slave labour to build Victoria's trains.

**Don't settle for Beijing Dan, why not go the extra mile & have North Korea infiltrate Victoria too?**

**And what better candidate can Victoria ask for, with none other than the SUPREME LEADER himself!**

The chances of Howard winning are almost zero; however, the chances of taking votes away from Dan Andrews and losing his seat are high. With the preferential voting system, if your first choice of candidate does not go through, it will be distributed to all the other candidates on your ballot.

Australians have a great sense of humour, and **Howard is your ultimate protest vote.** All Victorians are angry at Dan over a range of issues.

**Putting Howard as your number 1 choice on the ballot will be the ultimate middle finger voters can give to Dan Andrews!**
