READY TO LISTEN.
HERE TO SERVE.

Nicole and her husband Fraser have a long history of community service.

Some of my priorities for the Warrandyte electorate:

Lower taxes, fees and charges.

There is growing pressure on household budgets, but the State Government keeps raising taxes. I will stand up for local residents and strongly oppose further increases by the State Government to taxes, fees and charges.

Fix local roads & intersections.

I will work to fix the dangerous Five Ways intersection on Ringwood-Warrandyte Road in Warrandyte South, to prevent fatalities and further crashes.

Improve schools & community facilities.

I will fight for funding to upgrade local schools like Donvale Primary, Beverley Hills Primary and Warrandyte High, and deliver better facilities at local footy and sporting clubs.

Restore confidence in our state.

We all want a state that we can be proud of, but the State Government has sent Victoria broke. I will demand the State Government stop wasting our money, restore integrity to our state's finances, and restore confidence in our state.
