Vote 1 Joh Bauch To make history In Kororoit

For too long, the people of Kororoit and the Western Suburbs have been taken for granted.

This is your chance to put our community first. I promise to stand up and fight for you on the issues you require action on.

As a volunteer, community spokesperson and advocate... I WILL DONATE HALF MY PARLIAMENTARY WAGE TO LOCAL CHARITIES IN KOROROIT

As cost of living pressure is at an all time high, I will support struggling charities in desperate need in our community.

Increase wages: As a Union member I will fight for 9%+ wage increase and better penalty rates, as currently fighting for Crown Resorts employees.

No Toxic Waste Dump: The Andrews' Government tried time after time to dump their toxic soil in Ravenhall/Western suburbs.

- ✓ Increase of Pensions and Centrelink benefits to combat cost of living pressures for the disadvantaged West.
- ✓ Support local businesses and artists. Government to cut red tape.
- ✓ Continue to lobby for a new and urgently required Police Station between Aintree and Caroline Springs, for our ever growing population and new estates.
- ✓ Easing traffic congestion. Stop development if no infrastructure.
- ✓ Legislate the funding of our anti-corruption commission to be independent of Government.
- ✓ Support state of the art facilities for our youth and senior citizens.
- ✓ Combat climate change. 75% carbon emissions reduction by 2032.

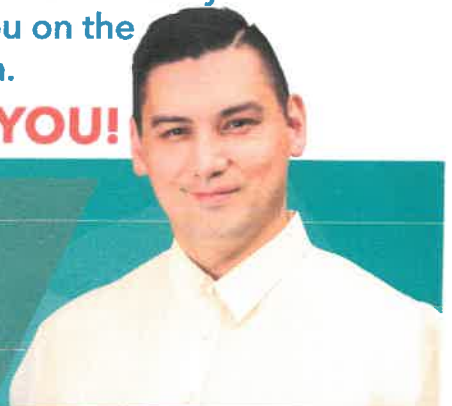

Our Police Station is currently closed every night To make history... I will push FOR 24 HOURS POLICE STATION IN CAROLINE SPRINGS

We urgently require our Police Station operating 24 hours! For too long, the people of Kororoit and the Western Suburbs have been taken for granted.

This is your chance to put our community first. I promise to stand up for you on the issues you require action on.

I WILL FIGHT FOR YOU!
