LET'S MAKE HISTORY IN CAULFIELD:

VOTE INDEPENDENT

Hi there!

My name is Nomi Kaltmann and I am a lifelong resident of Caulfield. I am a mother, lawyer and journalist.

I am passionate about integrity and honesty in politics, gender equality, tangible action on climate, and addressing community challenges such as gambling, healthcare, and education.

For too long the electorate of Caulfield has been taken for granted by major parties. If elected, I will represent the interests of all of our community. You will always have a direct line to me.

WHAT I STAND FOR

INTEGRITY

There are too many scandals in politics. Parliament should reflect the best in our community, not the worst.

STRONG LOCAL ECONOMY

I will push for policies that will grow our economy, so that you and your kids can afford to buy a house and energy prices remain reasonable.

CLIMATE ACTION

Climate action has to be at the centre of everything we do.

GENDER EQUALITY

We need policies that encourage women to join the workforce and take up positions of leadership in business and Government.

HEALTHCARE

Spending on healthcare has to be more targeted to ensure that all Victorians get a better level of service.

COST OF LIVING

We live in one of the wealthiest countries in the world. Homelessness is not a necessary evil: it is a policy choice.

GAMBLING REFORM

The time has come to properly regulate this industry and stop casinos and pokies profiting from the misery and destruction of our friends and family members.
