

**A Strong Democracy
Needs Community
Independents
in Parliament**

**We Need a Community Focused Member of Parliament
with the Voters Perspective who will fight for:**

- + a cap on political campaign spending**
- + housing affordability and reducing the cost of living**
- + our roads and returning rail infrastructure**
- + the environment of Western Port Bay and Woodlands**
- + reducing red tape for small business**
- + protecting our farmlands, food security and supply**
- + preserving the character of our small towns**
- + the need for nurse practitioners to deliver healthcare**

**As a community Independent, my priorities are shaped
by everyday people. My ethics will never be influenced
by party politics, donors, lobbyists or backroom deals.**

**We must get big money out of politics, stop pork
barreling and invest in our community infrastructure
based on NEED not VOTES.**

**The two party system is not doing regular Australians
any good. Like any system it is too easy to be gamed.
It is time for Australian politics to grow up.**
