## ***Change the Voting System***

Everybody **should** vote. But we should also be able to **choose** not to vote. Currently you must show preferences even if you dislike **all** the candidates. Change to **voluntary** voting. ...

### ***Other policies :-***

Oppose attempts to **brainwash young children** with political ideas and confusion about sex or gender discussions.

Stop the proposed multi-storey **High Rise** developments in Mount Waverley Village and High St Road. These would destroy the local amenity and environment.

No more **drug self-injecting rooms**. Move the Richmond room to a secure part of the Parliamentary car park and assist users to stop addiction.

**Have safety barriers on bridges** over motorways, to prevent suicides and vandals throwing stones etc at vehicles.

Reduce **betting advertising** and poker machines.

Ensure Political Parties are, like other organisations, subject to **Data Privacy** laws.

Review layout of **major road intersections** and reduce traffic congestion. Improve **vehicle safety** laws to reduce car crashes and deaths.
